**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We operate a small consulting business from our home. It is essential that access to reasonably priced high capacity broadband be maintained. We have used a local operated DSL operator and been very happy with the personalized professional services that we have received. The competitive price that we pay is an important part of maintaining the competitiveness of our home based office.
